## Registration Materials Checklist

Thank you for your interest in Camp Quest.

Here is a checklist of the registration materials needed. The completed registration form and deposit must be sent to the Camp Registrar in order to reserve a place for the camper. The physical Exam form must be received at least one month prior to the start of the camp. Registrations will be accepted on a first come basis until space is filled, with consideration given to a balance of age and gender.

1. Registration form.

NOTE: All fees are due in full two months in advance of the camp start date. If slots remain, registration will continue after this date.

2. Permission to Engage in Certain Activities form (included in registration form)  
- to be completed by parent/guardian and returned with Registration form.

3. Policy and Parent Understanding statement (included in registration form)  
- to be completed by parent/guardian and returned with Registration form.

4. Health History form (included in registration form)  
- to be completed by parent/guardian and returned, preferably with Registration form, but no later than one month before the start of camp.

5. Physical Exam (appended at the end of the registration form – may be mailed separately)  
- to be completed by physician and returned, preferably with Registration form, but no later than one month before the start of camp.

As we get closer to the Camp date, we will send you additional information concerning optional programs, directions to camp, etc.

All forms should be mailed to:

Rick Rohrer, Registrar
